Wolfsberg Group Correspondent Banking Due Diligence Questionnaire (CBDDQ) V1.4

## the Wolfsberg Group

Financial Institution Name: Location (Country) : HAYAT FINANS KATILIM BANKASI A.Ş. TÜRKIYE

The questionnaire is required to be answered on a Legal Entity (LE) Level. The Financial Institution should answer the questionnaire at the legal entity level including any branches for which the client base, products and control model are materially similar to the LE Head Office. This questionnaire should not cover more than one LE. Each question in the CBDDQ will need to be addressed from the perspective of the LE and on behalf of all of its branches. If a response for the LE differs for one of its branches, this needs to be highlighted and details regarding this difference captured at the end of each sub-section. If a branch's business activity (products offered, client base etc.) is materially different than its Entity Head Office, a separate questionnaire can be completed for that branch.
