

PRECIOUS METALS RESPONSIBLE SUPPLY CHAIN

HAYAT FINANS VIOLATION REPORT LINE

According to the Borsa Istanbul Responsible Supply Chain Compliance Directive, precious metal brokerage firms operating in the Borsa Istanbul Precious Metals Market and refineries established in Turkey included in the Refinery List are expected to comply with the Stock Exchange regulations and international standards in the supply of precious metals.

Our bank has adopted the principle of complying with Borsa Istanbul regulations and international standards as a whole within the scope of the precious metals responsible supply chain compliance process.

In this respect, within the scope of the precious metals responsible supply chain, in case of doubts about the transactions carried out, you can forward your notifications or questions to our e-mail address stzihlalbildirim@hayatfinans.com.tr.
